Giles Andreae : Morris the Mankiest Monster before purchasing it in order to gauge whether or not it would be worth my time, and all praised Morris the Mankiest Monster:

0 of 0 people found the following review helpful. Extremely Gross and Disgusting By Laura_Mamato2 The book is extremely disgusting. I disagree with the caption on book, "Kids will love him". We love Gerald Can't Dance (my son's favorite book!) and several of Andreae's other books so we decided to buy another. I wish I hadn't. The book is beyond disgusting and not at all like his other books. Check it out from the library first before you buy. We are disappointed. This is not the kind of book that my three year old enjoys. 0 of 0 people found the following review helpful. Ewww....but lovable By Bridgette H. Makes me a bit nauseous at times :) bit daughters can't get enough of Morris. Very bright illustrations. Daughter shared it with her kindergarten class and it was a hit. 0 of 0 people found the following review helpful. Delightfully disgusting! By Laura Hurwitz So wonderfully worded, fun to read, and the illustrations are brilliant- awesomely, comically gross. Great to read to kids, and fun to read to adults! I'm am officially a fan of this manky little monster.

It's years since he last changed his t-shirt. It's crusty and crawling with ants. His shoes are all slurpy and squelchy inside. And potatoes grow out of his pants. Morris is sweet, charming...and completely disgusting. Kids will absolutely LOVE him.

"Must be the most revolting picture book of the year! Morris the Mankiest Monster just gets worse and worse as you read aloud the rhyming text, snot, ear wax, pustules...it's really hard to keep going. This book needs a warning to parents - they're going to have to read it over and over again - children will absolutely love it" Bookseller
"DISGUSTING! I am still feeling faintly queasy after reading this book, but my class, of course, absolutely loved it! ... The illustrations are wonderfully nauseating" Child Education Plus "This is not a tale for the faint-hearted, but children who enjoyed the bottom humour of Giles Andreae's *Pants* will doubtless love it" Junior "This is a great new picture book written by the ever so talented Giles Andreae and illustrated by Sarah McIntyre. It has fantastic rhyming text, and Morris gets more and more gross as the story develops...this is an amazing book for reading it out-loud which will have you little ones in stitches. You will have to read this over and over again, so be prepared!" Library Mice "More marvellous muckiness" -- Helen Brown Telegraph
About the Author
Award-winning children's author Giles Andreae has enjoyed success both in the UK and abroad with his picture books. Giles is also the creator of the phenomenally successful *PURPLE RONNIE* and *EDWARD MONKTON* greeting cards and merchandising. He lives in London with his wife and young children. Sarah McIntyre was born in Seattle. She studied Russian literature and art history at Bryn Mawr College, then earned a distinction while doing her master's degree in Illustration at Camberwell College of the Arts in London. She brings her love of travel and adventure to her work, and loves the thrill of being a perpetual tourist in London, where she has lived since 1999.
