**Neil Morrissey : Morrissey's Perfect Pint** before purchasing it in order to gage whether or not it would be worth my time, and all praised Morrissey's Perfect Pint:

Follow Britains favorite badly-behaved man and his best buddy Richard Fox as they set up their own brewery and try to make a go of their laddish dreams. With this book they share their secrets to the truly important things in lifehome-brewing, pub games, bloke jokes, anorak beer, pub trivia, drinking games that may or may not get you arrested, chat-

up lines that may or may not get you slapped, beer recipes guaranteed to attract women, where to find the best beer festivals, and everything in between to make this a must have for every lad (or ladettes) library. Neil and Richards wry sense of humor and beer credentials make this a hilarious and compulsive read whether in small sips or downed in one. Full of lists, factoids, and quirky illustrations, this is the perfect gift for any beer fanatic.
