June Casagrande : Mortal Syntax: 101 Language Choices That Will Get You Clobbered by the Grammar Snobs--Even If You're Right before purchasing it in order to gauge whether or not it would be worth my time, and all praised Mortal Syntax: 101 Language Choices That Will Get You Clobbered by the Grammar Snobs--Even If You're Right:

0 of 0 people found the following review helpful. PAGES INSIDE AS HUMOROUS AS THE TITLE! By Sharon I love this book! The author, June Casagrande, has presented many of the technical difficulties of the written English language in a way that is simple and fun. I wish THIS had been a textbook when I was in school. Thanks to a good education I find that not committing "Mortal Syntax" is something that was pretty well engrained in me. But it's been

more than a few years since I was in school, so this book is a great brush-up course, especially for anyone that likes to write and share their writing publicly. 0 of 0 people found the following review helpful. word off those vampires By PilotX witty rhetoric to improve your off duty entertainment satire 3 of 3 people found the following review helpful. Snarky, Fun, and Informative! By JopoRyK I love Casagrande's style of presenting grammar, style, and usage rules. I also like that she really explores the ins and outs of these rules, discussing at some length (but not too much length) and with great humor how and when to use the rules and how and when to break them.

The only fun, friendly, and surefire defense against the grammar snobs Having already made a name for herself with *Grammar Snobs Are Great Big Meanies*, now in its fifth printing, June Casagrande returns with *Mortal Syntax*, taking on the 101 most frequently attacked usage choices. Dedicating one short chapter to each, Casagrande brings her subject to life, teaching English usage through lively and amusing personal anecdotes. *Mortal Syntax* includes such chapters as: ? "I wish I was taller" ? "I am continuously watching Simpsons reruns" ? "Was it Horton that heard the Who?" Casagrande's clear and concise lessons-with entertaining titles and themes-make a potentially prickly subject go down like a spoonful of sugar.

About the Author June Casagrande writes the popular and very humorous "A Word, Please" grammar column for four Los Angeles Times community newspapers. She has written over 900 articles for various newspapers and magazines and has four years of improvisational comedy training.
