**Mosby : Mosby's Anatomy Coloring Book, 1e** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Mosby's Anatomy Coloring Book, 1e:

0 of 0 people found the following review helpful. This is a required book for a class that I ...By K. Schultz This is a required book for a class that I am currently taking, and coloring the pictures does imprint information in your mind. So I can see why the teacher has us do it. Buying online saved me about 50% over buying locally. 0 of 0 people found the following review helpful. Four Stars By Cammie Taylor Enjoy how basic it is. It's nice to just have simple. 0 of 0 people found the following review helpful. Five Stars By Gina Pfister Thank you

This innovative new resource covers basic body systems, beginning with the skin and ending with the reproductive system. The illustrations have been created specifically for this book, and each features a simplicity of scope and format that is perfect for introductory anatomy and physiology courses. To ensure that students approach each figure

correctly, all pages contain a brief statement describing the body system and directions for completion. From there, the student can color each body part and identify them by name using the labeled leader lines. Original, simple illustrations make coloring and body part identification easy. The basic scope ensures that students will not be overwhelmed with information that is not needed for their course. Perforated pages facilitate classroom study and review, and provide flexibility to both the instructor and the student. Each figure is backed by a blank page so students can make notes regarding any given body part without interfering with the illustration. The corresponding answer key located in the back of the book provides a quick reference for the student to check accuracy and spelling. A pronunciation guide, listed after the answer key, has been created to ensure students pronounce medical terms with accuracy and confidence. A real value for students needing to purchase required texts.
