**Melissa Harrison, Harry H. Harrison Jr. : Mother to Son, Revised Edition: Shared Wisdom from the Heart** before purchasing it in order to gage whether or not it would be worth my time, and all praised Mother to Son, Revised Edition: Shared Wisdom from the Heart:

0 of 0 people found the following review helpful. This one is definitely a keeper:)By AnitasmileSuch sweet, and tender bits of advice on each page. From birth, to that day your boy becomes a man, and moves out on his own. Would be a great book to give a new mother who is lucky and blessed enough to have a son. Each page usually has just one or two lines, so it's something that can be read a page or two at a time in a few minutes, or the whole thing in less than a

few hours. It will make any mother smile, laugh, cry, and all of those other emotions we all feel as our little ones grow up, and start taking steps towards their own independence. I'm so glad I bought this book for myself, even though my boys are grown, and one is about to become a first time father, it brought back so many memories, and gave advice I wish I'd known when they were little. This one is definitely a keeper:)1 of 1 people found the following review helpful. Five StarsBy N. Tojimatovanice little book to read with my son1 of 1 people found the following review helpful. GreatBy Stephen BankusGreat

Warm and fuzzy, anchored in values, and filled with simple words of wisdom, this beloved, bestselling book for parents speaks to the important business of raising sons, and distills their timeless lessons into one nugget of wisdom per page?some lighthearted, some serious, some practical, and some intangible, and all supported by a strong moral backbone.Freshly updated, the book begins with the Five Keys of Parenting, a guide to navigating the extraordinary, even if sometimes exasperating, journey of parenthood. It's filled with the importance of nurturing responsibility: Teach him that the world will judge him by his actions, not his intentions. Fun stuff: Have tea with him in the afternoons. Serve cookies. And when he's ready to go: Hug him fiercely.

From the Back Cover Boys are different. Boy, are they different. This assuring guide, woven out of wisdom, humor, experience, and a boundless love and patience, is filled with hundreds of important lessons. Instilling values and confidence. Knowing when to say yes, and when to say no. Puppies and girlfriends. It's a mother's treasury.
