Cath Tate : Mothers: We're Nowhere Without Them before purchasing it in order to gage whether or not it would be worth my time, and all praised Mothers: We're Nowhere Without Them:

In this highly amusing new addition to the series, Cath gives us the lowdown on life as a mother. It embraces all aspects of motherhood, from that first terrifying journey home from the hospital with your screeching bundle of joy, through teenage tantrums and the empty nest, to those disconcerting years when you begin to turn into your own mother. Insightful, quirky, and downright hilarious, this book is the perfect present for your own mom, or someone

who's about to become one.
