Richard F. Mould : Mould's Medical Anecdotes before purchasing it in order to gauge whether or not it would be worth my time, and all praised Mould's Medical Anecdotes:

A unique prescription of humorous and intriguing anecdotes, encompassing the unusual, the mysterious, the historical, and some of the more gruesome aspects of the medical profession, from Egyptian times right up to the present day.

"A delightful collection of medical quips, quirks and quackeries." Daily Express "a mine of fun, charm and poignancy." RAD Magazine "There is something to interest everyone here." Clinical Biochemist "Excellent - don't pinch your colleague's buy your own!" HPA Bulletin ... " You do not need to have this edition on your office desk but inside the drawer, within easy reach. It will be of great value and you will love it! ... you may sit in your armchair for hours, smiling, laughing and learning unusual things with astonishment. ... You should buy the book, order another one as a gift for your friend(s) ... you will get a lot of information, entertainment and pleasure." O Pohlenz, European Radiology, Issue 7, Vol 7 1997 rvw_previous "A delightful collection of medical quips, quirks and quackeries." Daily Express "a mine of fun, charm and poignancy." RAD Magazine "There is something to interest everyone here." Clinical Biochemist "Excellent - don't pinch your colleague's buy your own!"
