This is a must read for every church and Christian/Disciple.I learned more about myself and it turned my life around immediately. Mountain man does an amazing job of entertaining and even a better job of writing this book. It's 140 pages of pure fun entertainment and spiritual awesomeness!!!!2 of 2 people found the following review helpful. This is a really good book! I think he did a great job in conveying his faith and his love of Christ. Tim is one

of a long line of people whose conversion came with their association with the Robertson family, and it is obvious that Jase Robertson had a very significant role in that happening. I hope there are more books to come from Tim. This is one I would recommend to all people who are fans of Duck Dynasty. 5 of 5 people found the following review helpful. Mountain Man has a good philosophy on life and a lot of us would ...By Jean Haugen Mountain Man has a good philosophy on life and a lot of us would do well to slow down and consider some of his ideas. I enjoyed the book a lot.

Join Mountain Man as he shares stories from his youth and recent years, and rediscover the wisdom of speaking slower than you think, taking time to talk with others, helping a person in need, eating together as a family, and doing a job right the first time. Also learn to make the most of your uniqueness, bring humor into everyday life, keep your faith first, be quiet to catch the squirrel, stay positive when life is hard, leave a clean trail, and much more. Instead of figuring out how to squeeze a little more in your day, it is time to slow down and enjoy the God given moments to make life truly worthwhile.

One of the questions I get asked a lot as I travel throughout the country is, Does Mountain Man really talk like that? My answer is always, Yeeeeeeeeeeeeessss, in my best Mountain Man imitated voice. Mountain Man has become one of the more likable people on Duck Dynasty because he is willing to laugh at himself and fire back at my family in view of our quirks. When you're forgiven and have hope in life after the grave, it gives you a peace in life that keeps you from taking yourself too seriously with the little things. Mountain Man has found a peace in Christ that has given him a platform to try and help others. I am proud that he has chosen to write a book to try and inspire others to do great things. Sit back and get comfortable, and may faith, hope, and love flourish in your life. --Jase Robertson, Author of Good Call: Reflections on Faith, Family and Fowl About the Author Tim Guraedy (known as Mountain Man) lives in West Monroe, Louisiana, the small town made famous by Duck Commander and Duck Dynasty. Mountain Man has been a beloved character on Duck Dynasty since appearing in Season 1. An avid outdoorsman, he loves to hunt, fish, and daily live out his Christian faith using his time to talk with people and help those in need all while keeping a slow profile.
