8 of 8 people found the following review helpful. UniqueBy MiddernachtI recently purchased this coloring book and I love it! The title of the book "Mounts" says it all. Fabulous intricate drawings of animals with saddles and I so love the unique imagination of the artist. One-sided pages that are easily removed with an Exacto knife if one wishes to copy on card-stock paper. My rating is A++2 of 2 people found the following review helpful. FuN...FuN...FuNBy C. LewisOlga Goloveshkina brings a whimsical breath of fresh air to this book. A variety of animals both real and mythical all with harnesses.Color them simply or add complexity!0 of 0 people found the following review helpful.
