Mr Mid-Life Crisis has just had a big birthday. He tried to deal with it the modern way; going to a festival, doing a triathlon and having a hair transplant. It didn't make him feel any better. So instead he did it the old-fashioned way. He bought a new sports car with the money he and his wife had saved for the new conservatory. Mr Mid-Life Crisis' wife is doing revenge the old-fashioned way too. She's just covered his sports car with superglue. Meet a world of hilarious 21st century characters - from poor Mr Competitive Dad who's already in training for the next school sports day to Mr Dad Dancer who is always ready to show off his moves, from the "Hand Clap Boogie" to the "Side Step Slide". Are you Mr Hangry or Mr DIY? Do you know a Mr Hispter, Mr Box Set Bore or Mr Man Flu? Created for grown-ups this pitch-perfect parody is the ideal gift for friends, sons, boyfriends, husbands, dads and granddads. Perfect for Father's Day, for Christmas, or just for fun.
