before purchasing it in order to gauge whether or not it would be worth my time, and all praised Mr Somebody or Other: A Journey - A Dream - An Idiot. Laugh out loud feel good memoirs of an everyday man who is nobody else's fool. (2):

In the author's first book *The Autobiography of A. Somebody*, an everyday man escapes the monotony of a humdrum life in London for the glamour and beauty of the Côte d'Azur. After nearly a decade of living through the farcical trials and tribulations of property renovation in France, the "glamour and beauty" is starting to lose some of its sparkle. Inspired by the saying: "Always be a first-rate version of yourself, instead of a second-rate version of somebody else", he realises self-development is more important than property development. Peppared with hilarious and ludicrous experiences, *Mr Somebody or Other* is the story of a journey - a dream - an idiot - but *Mr Somebody* is nobody else's fool.

About the Author Since fame eluded me after the publication of my first book "*The Autobiography of A. Somebody*", there still seems little reason to give my real name, as it will neither add, nor subtract from my story. Writing under the pen name "*A Somebody*" is done as a little bit of fun. Many of us say that we want to write a book one day. Well, my day has come - it is a great adventure and very rewarding emotionally. Yours *Mr Somebody or Other*.
