Only in death can true beauty exist.--@Crap Taxidermy, the Twitter account deemed "most horrifying" by BuzzFeedMuch Ado about Stuffing brings together the best and worst specimens featured on Twitter's hugely popular @CrapTaxidermy feed, along with some never before seen abominations of nature. Authored by Adam Cornish, a forest-dwelling, Taxonomy admirer, this book is not for the faint of heart or humor. You may laugh; you might cry; the only thing guaranteed is that for every book sold a donation will be made to help a real sanctuary that houses living animals that don't wear clothes or sit on chairs.

About the AuthorAdam Cornish is a forest-dwelling Brit and taxonomy admirer. Before launching @CrapTaxidermy and embarking on this project, the only piece of taxidermy he owned was a stuffed piranha that he used for scaring his mom and sister.
