Henry Beard : Mulligan's Laws before purchasing it in order to gage whether or not it would be worth my time, and all praised Mulligan's Laws:

0 of 0 people found the following review helpful. Great!By L. DrendelGreat wit and wisdom on the game we love!0 of 0 people found the following review helpful. Read straight through.By Ron BBought it as a gift for Christmas, for my son-in-law. My daughter said he read it straight through. What more can one ask for? Shipping was very fast so I was able to ship it out and it got there on time.0 of 0 people found the following review helpful. Three StarsBy Randy OttoCute - a little light in content.

A collection of golfing wisdom features hundreds of extraordinary insights, including the fact that a golf bag always contains more than six hundred or fewer than three tees.

From the Publisher Best-selling humorist Henry Beard presents the long-suppressed reflections and rules of thumb of the heretical patron saint of do-overs and duffers everywhere -- a perfect gift for any golfer. B W illustrations throughout. From the Inside Flap Every time a golfer hits a terrible drive on the first hole, then quickly tees up another ball for a do-over, he or she immediately invokes the most famous name in golf--"Mulligan." And yet, absolutely nothing is known about this most profound thinker, the genius who first uttered the words, "I think I'll take another." In 1993, Henry Beard, noted humorist and author of such enduring classics as *French for Cats*, *Official Exceptions to the Rules of Golf*, and *O.J.'s Legal Pad*, unearthed a copy of Thomas Mulligan's long-lost treatise on golfing wisdom and translated it from the original Scottish dialect. *Mulligan's Laws* has since become a classic, with over ninety thousand hardcover copies in print. Here are a few of Mulligan's golfing insights: If you really want to get better at golf, go back and take it up at a much earlier age. Nonchalant putts count the same as chalang putts. The statute of limitations on forgotten strokes is two holes. Few golfers are born with the natural talent for hitting the ball, but every player is blessed with the God-given ability to throw a club. *Mulligan's Laws* is a satiric yet affectionate send-up of the game where whatever can go straight, goes right, and whatever can reach the green, comes up short.
