Pelham Grenville Wodehouse : The Little Nugget before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Little Nugget:

1 of 1 people found the following review helpful. FantasticBy phillip joe fitsimmonsI love it. This 1913 book looks to me like a Wodehousian, novel-length retelling of O'Henry's 1910 short story The Ransom of Red Chief. This must have been produced before Wodehouse settled into his formula. It is different from the formulaic works. It is more of a serious adventure novel than the usual musical comedy without music that he usually produced. It isn't just different, it is also a very pleasant and satisfying read. I recommend it. 3 of 3 people found the following review helpful.

Wodehouse does it again! By Michael Aparo This Wodehouse book that was so different from all of the many others by him which I've read. Each one of the main characters was so delightfully depicted: I couldn't help rooting for them. The plot was straightforward and easy to follow. There were subtle and insightful commentaries on the foibles of our

species. There was humor, drama, romance, and best of all, a happy ending. I would highly recommend this book to all Wodehouse fans. There was not a single part of it I didn't like. 2 of 2 people found the following review helpful. Love and Disasters By Shirley Curtis When I first started this story, I thought I wasn't going to like it, but because it is by Wodehouse, I continued reading and fell in love with it. The trials and tribulations of falling in love in a unique setting with a happy ending. Another excellent read by P.G. Wodehouse.

From the Publisher The Little Nugget features the obese son of an American millionaire taking on the boys of an English public school. About the Author P. G. Wodehouse (1881-1975) spent much of his life in Southampton, New York, but was born in England and educated in Surrey. He became an American citizen in 1955. In a literary career spanning more than seventy years, he published more than ninety books and twenty film scripts, and collaborated on more than thirty plays and musical comedies.
