If you need a good belly laugh, lock horn works for me...Hurry and produce another book every year please....Randy0 of 0 people found the following review helpful. Love itBy GirlymanVery hysterically funny. The last time I read the Lockhorns was in the comics section of the Sunday papers. I loved and missed them so much since they were first taken out of the paper. I'll love and cherish this book for A long time to come.0 of 0 people found the following review helpful. lockhornsBy stanvery funny

A new collection of classic cartoons from "The Lockhorns" chosen by Bunny Hoest from her all-time favorites. Leroy and Loretta have been providing laughter to couples throughout the world for decades. Sure to bring laughter to anyone that's in a relationship, is married, has been married or knows someone who is married.
