Like Proverbs, but funnier!By CustomerIf you are familiar with book of Proverbs in the Bible, then you will be very familiar with the format of this book. Like Proverbs where you can open up to any part and get some wise saying of old, in this book you can open up to any page and get wisdom that will make you laugh. Wow, a Christian author with a awesome sense of humor! Good book to layout on the coffee table for anyone to pick up and get their laugh of the day!0 of 0 people found the following review helpful. Five

StarsBy Anita MurphyEveryone should read!!0 of 0 people found the following review helpful. Loved it. Kind of a then meets now satirical ...By Jennifer ThorntonLoved it. Kind of a then meets now satirical view on daily wisdom. What would Solomon say to some situations back then and how would he deal with things today? Take it with a grain of salt and a hint of sarcasm.

Once upon a time there was a wise Israelite who spoke many parables and proverbs, and who rode into Jerusalem upon a mule and presented himself as king. That man was Solomon, son of David, who lived nearly a thousand years before Jesus. According to the Old Testament, King Solomon spoke 3,000 proverbs. The Bible contains less than half of this material. Herein, you will find more of Solomon's proverbs and wise sayings, for centuries hidden from the general population. Should biblical scholars ever come together over a few stiff drinks, they just might agree that the contents of this book may be deemed tantamount to holy scripture. Until then, it is just an agglomeration of passages that sound dogmatic and may ostensibly be ascribed to one of the wisest figures in human history. Let the reader be forewarned: Wisdom does not appeal to everyone, and seldom is its delivery ingratiating. Although eloquent in any language, it can reveal the philistine heart that encumbers the soul of even the most virtuous seeker.
