Cristina McAllister : The Lumina Chronicles: A Fantasy Coloring Experience (Volume 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Lumina Chronicles: A Fantasy Coloring Experience (Volume 1):

Video promo here: <https://www.youtube.com/watch?v=KhI9dgA4rWE> To see interior pages and download the Lumina Print Pack, visit: <http://www.gypsymystery.com/#!/lumina-print-pack-download/p3jzk> Discover a wondrous world of kaleidoscopic color inhabited by luminous, shape-shifting beings. The Lumina Chronicles is a Coloring Book wrapped in a story - the lost research of an eccentric Victorian scientist who discovers a way to peer into the Aetheric Realm. 30 lush art pages, plus additional illustrations. Optional Color Formulas and Special Effects suggestions to

inspire and challenge you. Medium-weight paper suitable for colored pencils and gel pens. Not recommended for markers that bleed through.
