**William Baring-Gould : The Lure of the Limerick** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Lure of the Limerick:

1 of 1 people found the following review helpful. A Must have book for any library bookshelf By Donald A. Collins I have owned numerous copies of this wonderkind book for years and keep giving copies away to friends and family. While Mr. Baring Gould, doubtless no longer alive, was not able to corral every good one of his era, the illustrations by Andre Domin, Aubrey Beardsley, and Edward Lear form delightful backdrops to the saucy verses he assembled. And perhaps best, the limerick format encourages emulation by everyone with an event to write a poem to celebrate or a group of people who just like to laugh! In fact, I have assembled several from his and other sources which I have tucked between the covers of my present copy, just so I can quickly find favorites to cite for such occasions. Don't miss it if you don't have a copy. 0 of 0 people found the following review helpful. The Limerick Standard Bible Oft Quoted Always Appreciated By Donald A. Collins This classic volumes remains the standard against which we limerickers must compete. And while we often do marvelously Wm Baring Gould set the pace which continues to delight us all. 5 of 5 people found the following review helpful. laugh out loud By Nina J. Hiatt I found this book at a local book sale and gave it to a neighbor who had just been to Great Britain and was enjoying their limericks. I loved it so much, I had to find one for myself. It's a great book to put in the bathroom if you're not

worried about someone hearing you laugh.
