From Brand: Diamond Farm Book Pubns : The Magic Peasant before purchasing it in order to gage whether or not it would be worth my time, and all praised The Magic Peasant:

1 of 1 people found the following review helpful. Magic Peasant By Stanley Phelps This book written by a very well educated sheep farmer from the North East of England, hiding his capabilities by describing himself as "a peasant". It is witty and written with a deep insight into farming life.

This is a collection of 99 cartoons and 21 verses portraying the life of Sep the peasant farmer, his wife Gladys, and their cerebrally challenged sheepdog Sweep.
