**Mel King : The Magical Garden at Midnight: Creative Art Therapy For Adults (Creative Midnight Colouring For Grown-Ups) (Volume 2)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Magical Garden at Midnight: Creative Art Therapy For Adults (Creative Midnight Colouring For Grown-Ups) (Volume 2):

1 of 2 people found the following review helpful. Smaller than averageBy nicoleThis book is smaller than most of the square coloring books you're used to seeing but that doesn't really take anything away from the pictures inside it. The pages are single-sided but the paper is thin. I'd recommend either putting a few sheets of paper between the pages when you color or did-assembling the book altogether. There are mostly beautiful, detailed pictures to color but as the other reviewer said, there are a few odd images. Overall, for the price, I think this book is worth it.2 of 3 people found the following review helpful. Smaller Book some pictures were ok, most were notBy CherryNot really what I was expecting, waiting for my return sticker so I can return... some oddball pictures in this that I just don't like.

Welcome to 'The Magical Garden at Midnight' - the mysterious garden filled with fabulous flora, amazing animals, and magical creatures set against a beautiful midnight background. Choose your favourite colouring pencils or pens to bring the mystical garden to life. Enjoy more than 50 intricate illustrations for you to personalise, and create a magical

garden of your own - and you can even colour the beautiful matte finish cover! Prepare to relax your mind from stress and everyday troubles, and unwind with creative art colour therapy. Each image is single-sided which means you don't have to worry about ruining any pictures on the other side of the page, and you can even cut out and frame your picture once you have completed it.
