Truncale A sense of humor is a quality that everyone should probably develop more in their lives. Lately, I have been reading many books containing a huge amount of very funny jokes. This volume (*The Mammoth Book of dirty, Sick, X-rated and Politically Incorrect Jokes* Edited by Geoff Tibballs) is one of the funniest collection of jokes I have read lately. It covers an enormous amount of topics to make jokes about in this book. The following are just a small sample of the topics covered in this very humorous huge volume: Adultery, Airplanes, Alaska, Alcohol, Alzheimer's, Americans, Art, Australians, Babies, Bartenders, Bed, Osama Bin Laden, Tony Blair, Blondes, Blow Jobs, Breasts, California, Canadians, Cats, Chicago, Chinese Jokes, Christmas, The Church, Bill Clinton, Condoms, Cowboys, Death, Divorce, Drunks, England and the English, Fantasies, Farting, The French, Germans, God, Gynecologists, Health, Hookers, Saddam Hussein, Incest, Impotence and many other topics from A to Z. In conclusion, if you have a sense of humor you may want to check out this giant book of jokes. Personally, it made me LOL numerous times reading this book. It may do the same for you. Rating: 4 Stars. Joseph J. Truncale (Author: *Haiku Moments: How to read, write and enjoy haiku*) 0 of 0 people found the following review helpful. interesting By Angelena Bought for a friend and they thought it was funny. I read it however and thought the opposite. The jokes are long and it takes awhile to get to the punch line. I thought it would contain more politically themed jokes but that isn't the case at all. I just didn't think it was funny. And I don't know what was so politically incorrect about it besides how the chapters were. For instance Puerto Rican jokes, Polish jokes ect. Kind of a let down but it was just a gag gift. Maybe go with something you know will be funny instead. 0 of 0 people found the following review helpful. So with a title like - *X-Rated* By DirtBird I found it odd the editor includes chapter containing Chinese Jokes, Mexican Jokes, Puerto Rican Jokes, Polish Jokes, German Jokes, Jewish Jokes, Italian Jokes, Irish Jokes, Native American jokes and so on - but no African American jokes. So with a title like - *X-Rated, Politically Incorrect Jokes* - I am giving it one star since they chose to include my lineage in their line up of jokes, but decided to glance over African Americans for fear of being Politically In-Correct, even though the title says otherwise.

*The Mammoth Book of Dirty, Sick, X-Rated and Politically Incorrect Jokes* is the ultimate collection of X-rated and decidedly politically incorrect jokes—an indispensable guide to the funny, the fearless and the filthy. Be warned, the contents of this spanking new bumper book are not for the faint-hearted or easily offended. This unique and up-to-the-minute compendium features thousands of politically incorrect jokes covering every topic from Alzheimer's to Zoos. Among the themes are Accidents, Adultery, Australians, Breasts, Cannibals, Cowboys, Drunks, Farting, Flight Attendants, Foreplay, Honeymoons, Jehovah's Witnesses, Marriage, Masturbation, Nuns, Old age, Orgasms, Parrots, Priests, Sodomy, Surgery, Therapy, and, of course, Viagra.
