Awful bookBy SusanIn addition to being mostly inappropriate, these jokes aren't even funny. I can laugh at an off color joke but it needs to be humorous. Definitely a total waste of money and I made my son throw it away.0 of 0 people found the following review helpful. Delightful and complete source of jokesBy Richard C. SteinbachThis book contains every joke I've ever known, heard or even conceived up plus about 10,000 more. What a delightful reference. One caution. There is no filter. You get the very gross along with the very holy. Good luck.
