**From Tibbals, Geoff (EDT) : The Mammoth Book of Jokes** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Mammoth Book of Jokes:

5 of 5 people found the following review helpful. An excellent huge collection of jokes of all kinds.By Joseph J. TruncalaThis Mammoth book of Jokes is a giant collection of jokes, toasts, insults and other humorous material. If you do not find hundreds of jokes to laugh your head off in this collection, than you are probably a zombie and part of the

walking dead, or may be you just do not have any sense of humor. There are more than 7400 entries in this huge collection. Numerous topics are covered in this text. There is something for everyone in this book and this short review cannot do justice to this very funny volume. Many of the jokes are old and you may have heard many of these humorous stories in the past, but there is enough funny material to keep you entertained for hours. This book is organized into three parts. Part one has numerous stories, jokes and one-liners on a vast number of topics. Some of these include the following: Absent-mindedness, accidents, acting, adultery, age, aviation, cats, Bill Clinton, college, crime and many other topics from A to Z. Part two covers miscellaneous material such as bumper stickers, celebrities' favourite jokes, comic dictionary epigrams, epitaphs, humorous quotations and other funny material. The final part has toasts of many kinds such as to absent friends, to accountants, to bakers, to bosses, to children, to drinking, to friends, at funerals, to health and other topics. In conclusion, if you enjoy a good laugh you may want to check out this very funny volume. Rating: 5 Stars. Joseph J. Truncale (Author: Haiku Moments: How to read, write and enjoy haiku) 0 of 0 people found the following review helpful. Elevates the mood By Author-poet The book has 7474 jokes and though not all of them are you laugh, it has quite a number that made me giggle. The jokes are in the form of stories, jokes and one liners. The jokes are also divided into categories, like absentmindedness, marriage, bar jokes, as usual blondes, religion, cities, countries, etc. I found it good to go through to keep some jokes ready for a party. Not five stars because some jokes were downright offensive, obscene for me. 1 of 1 people found the following review helpful. Better read then letting it burn. By Customer I brought this book with me during a road trip. It wasn't worth forgetting it under the wheel. But I have to say it is a big book. My first impression is a helper for the speech inclined. I'm an accountant. This book will sit in my bookshelf until I need to make a speech. Has lots of quotes. Which I don't get. Like the one about Mel Gibson. It is taking me some creativity to make the most of this book. It is a big book. So there are funny ones in-between. If your looking for a joke book to tell a catholic priest. Try the pretty good joke book by garrison keiller. Pretty Good Joke Book: A Prairie Home Companion... Garrison Keillor Pretty Good Joke Book: A Prairie Home Companion... Garrison Keillor

Even bigger and better than ever, The Mammoth Book of Jokes is the ultimate joke book, now revised and expanded to over 7500 entries. This endlessly entertaining collection covers everything funny, from birthdays and dogs to mothers-in-law and war, from the tasteful to the tasteless. The Mammoth Book of Jokes also includes hilarious epigrams, limericks, misprints and howlers, shaggy dog stories, politically incorrect jokes, toasts, pick-up lines, and put-downs. Extra new material for this bumper edition includes favorite celebrity jokes — specially chosen by the likes of Bill Clinton, Gordon Ramsay, Dustin Hoffman and Tony Blair — as well as no fewer than 2000 brand new ones.

About the Author Geoff Tibballs is the editor of the bestselling The Mammoth Book of Jokes, as well as The Mammoth Book of Comic Quotes, The Mammoth Book of Humor, The Mammoth Book of Zingers, Quips, and One-liners, and The Mammoth Book of Dirty, Sick, X-Rated, and Politically Incorrect Jokes.
