Glyn Rees : The Mammoth Book of Limericks before purchasing it in order to gage whether or not it would be worth my time, and all praised The Mammoth Book of Limericks:

6 of 6 people found the following review helpful. You Already KnowBy Jonathan SoytYou already know if you're going to like this book. Below, I've prepared a self-answer guide to whether you will enjoy this book:1) Do you like limericks?2) Do you want clean and dirty limericks?If you answered yes to both questions, you will like this book. I've begun to memorize some of these for future recital.Unrelated: I've been invited to fewer parties since buying this book.

However, I don't think the two events are correlated. 2 of 2 people found the following review helpful. Inspiring book
By Paul
There was an old farmer who read Limericks at night in his bed
His wife, with moves subtle,
Showed she wanted to cuddle,
But he read her a limerick instead.
0 of 0 people found the following review helpful. Great fun
By Rapunzel
While the humor in these limericks is not for the faint-hearted or prudish person, it surely is great fun. There is a HUGE collection here, enough to please any enthusiast.

This is the best-ever collection of those catchy Irish rhymes from squeaky-clean to the moderately filthy. With over 2,000 silly, political, modern, classic, and more to choose from, there is bound to be a limerick to get you giggling. This giant collection includes Irish classics called out in corner pubs for decades as well as many new verses specifically created to be read here. Creators include Spike Milligan, Mark Twain, Michael Palin, Lewis Carroll, Isaac Asimov, Robert Louis Stevenson, Rudyard Kipling, W.H. Auden, and many, many more.
