Otto DeFay : The Man Book: Booze, Boobs and Baseball - A Kick-Ass Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised The Man Book: Booze, Boobs and Baseball - A Kick-Ass Guide:

0 of 0 people found the following review helpful. not politically correct in the slightest and funny as hellBy ezyErni not politically correct in the slightest and funny as hell. You won't lose your moral compass and you won't stop laughing.1 of 1 people found the following review helpful. A funny readBy hlparke1I got this for my husband for his birthday, we both got a lot of laughs out of it. I wouldn't recommend letting your lady read it if she doesn't have a

good sense of humor, since it is "The Man Book". Also, it may be inappropriate for non-adults since it has A-Z nicknames for certain body parts and a few other things. 1 of 1 people found the following review helpful. Funny. By Ashley Greenland I bought this book for my husband while he was on deployment to pass time and now it's a "bathroom read." It has some really funny sayings/facts in it.

This book contains everything you need to know to be a man. Everything. It will prepare you for every situation you can imagine, from the office to the bedroom. It will improve your life no matter what you're doing...whether you're in a bar, in a fight, in a wedding, in an argument, at a game, at work, or in a stranger's bed. It's time to be a man. Read this book.

About the Author Otto DeFay is a free-lance writer and sports data analyst who spends most of his life on the road staying in barely decent hotels. Among his notable achievements are scoring a hole-in-one at the Russian Jack Springs Golf Course in Anchorage, Alaska and breaking three ribs during a layup in the final four seconds of his high school basketball championship. He has not dated anybody famous--yet--but he did win \$17,550 once while playing blackjack in Las Vegas. The Man Book, published by St. Martin's Press, was his first book.
