Disney Book Club : The Mickey Mouse Make-It Book (Disney's Wonderful World of Reading) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Mickey Mouse Make-It Book (Disney's Wonderful World of Reading):

0 of 0 people found the following review helpful. Great!By Mrsjdb99Another book I had when I was a little girl. Lots of memories of doing easy crafts with my mom. Was so thrilled to find it on for my girls.0 of 0 people found the following review helpful. The book was in worse condition than specified but it is still usableBy nancy crawfordThe book was in worse condition than specified but it is still usable. The content of the book is perfect for kids to work with though I'd have preferred one in good condition rather than just passable.0 of 0 people found the following review helpful. Vintage Disney books are so coolBy babushkaI used to have this book when I was young and I am so happy I am able to find this item (in good condition) and share the experience with my nephews.

Easy-to-read, step-by-step instructions for ten things to make and do with bands, soda pop cans, aluminum foil, crayons, scissors and other common items.
