Matt Adrian : The Mincing Mockingbird: Guide to Troubled Birds before purchasing it in order to gage whether or not it would be worth my time, and all praised The Mincing Mockingbird: Guide to Troubled Birds:

0 of 0 people found the following review helpful. If you love birds and have a sense of humor, buy this.By Carrie ClarkHilarious and beautifully illustrated. My sister in law loved it.0 of 0 people found the following review helpful. Highly recommendBy KLeeI love everything about this book from the secondhand-from-the-library look the cover has to the amazing bird paintings to the vignettes that accompany each one. This little book has such character and I do recommend it to anyone with a healthy sense of humor (a love of birds is just an extra benefit).0 of 0 people found the following review helpful. Five StarsBy AMHilarious and very quotable!

The Mincing Mockingbird Guide to Troubled Birds is an illustrated, pocket field guide that enables anyone to quickly identify psychotic, violent or mentally unstable bird species. Written in non-technical language for the layman, the

guide describes where to find—or where to avoid—the most disturbed North American birds. Throughout the book the reader will discover tales of murder, assault, mental breakdowns, obesity, drug abuse and infidelity among the birds. This guide is used and recommended by law enforcement agencies and ignored by leading ornithologists. We are only just discovering the reality of our avian adversaries, with their reptilian brains, their appetites for mayhem and the fact that they fly mostly to spite us. To ignore the information found within this volume may be at the peril of your very life.

“This book will have you doubled over with laughter...It’s so much fun.”—Marney Rich Keenan, The Detroit News
“For too long we have enjoyed our assumed power over the birds, reducing them to fetish objects of voyeuristic desire. Binoculars in hand, we stalk them in the forest, ignorant of the fact that they are stalking us. The Mincing Mockingbird’s new book documents the dangers we face. The bird rebellion has begun.”—Paste Magazine
About the Author
Artist Matt Adrian’s (The Mincing Mockingbird) work is collected worldwide and has been featured in Country Living, the Los Angeles Times, and the Chicago Tribune, among other publications. Adrian is also the author of *It Is Folly To Assume My Awesome Lies Dormant: The Paintings of the Mincing Mockingbird*, and *I Have Heard My Praises Sung In Screams: The Paintings of the Mincing Mockingbird Volume II*. He lives in California with his wife, artist Kim Bagwill.
