From Brand: Citadel Press : The Misadventures of Sherlock Holmes before purchasing it in order to gage whether or not it would be worth my time, and all praised The Misadventures of Sherlock Holmes:

The Misadventures of Sherlock Holmes gathers together the best of the hilarious mishaps that have befallen the greatest detective of them all--the tales that Watson couldn't or wouldn't tell, for reason of discretion or just plain incredulity. This hugely entertaining volume--essential reading for Sherlockians and a feast of amusement for everyone else--is a collection of parodies, burlesques, pastiches and "unofficial" adventures.
