Drink this book.By mistercoughyAs with anything involving too much booze, this book has much hilarity and some (but thankfully not

many) low spots. Mr. Rich has an ear for writing comedy, that's for sure. Funny guy. 0 of 0 people found the following review helpful. Five Stars

Attempting to deconstruct America's joyless obsession with sobriety, *The Modern Drunkard* offers today's befuddled drinkers a comprehensive and instructive manual on the delights of alcohol culture, how to be a good drunk, how to drink, and how to do it well. Through articles, anecdotes, cartoons, and illustrations pulled from our long and happy history of drinking alcohol, Frank Kelly Rich campaigns to revive the lost art of tippling and taps a deep vein of boozy lore and legend through the ages, uncovering etiquette and expertise from some of history's greatest guzzlers.

**About the Author** Frank Kelly Rich is the founder and editor of *Modern Drunkard Magazine*, the voice of the recreational drinker. Mr. Rich has spent the greater part of his life absorbing lessons and libations alike in bars the world over. He is also the author of four booze-noir action-adventure novels (*Jack Strait*, *Bogeyman* series, *Gold Eagle Books*) and the writer and director of the booze noir film *Nixing the Twist*.
