Cami Sue Truman, Revised updated by Sister Dottie S. Dixon : The Mormon Kama Sutra before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Mormon Kama Sutra:

3 of 6 people found the following review helpful. Pretty Stupid - For Mormons, for the most part By DSwish This book was written by a man who dresses like a woman. The back cover shows a picture of her(him). Its a short book, with play-on-words of common phrases used in the mormon church. Not the most reverent book, but you don't expect it to be. May give you a chuckle as you flip through the first 20 pages. I only give it two stars because of the new added section at the end where the author decides to include descriptions (trying to be jokes) of things that the church fully opposes, including homosexuality, three-somes and masturbation to pornography. We got this as a gag gift to give to a couple, but the only way we could give it to them is to take a razor and cut out the last 8-10 pages or so which depict these things. It would be a good mormon gag gift if you don't have that section. With it, its not really "Mormon Kama Sutra" anymore, its more of a "Used-to-be Mormon Kama sutra" book. Not a kama sutra book at all by the way. You won't get a single description of an actual sex position. So don't expect it to show "missionary position" or "cow girl" etc. Its just a book that uses church phrases to make sexual jokes. For a non-threatening, illustrated, small Kama Sutra

book, check out A Lover's Guide to the Kama Sutra (Mini Book). Inexpensive, and will be a non-threatening guide to different sexual positions for couples. A Lover's Guide to the Kama Sutra (Mini Book)2 of 4 people found the following review helpful. Huge Laughs for those who know Mormons!By Michael J. FoxGreat book, great service and tons of laughs. Anyone who has grown up knowing or have been a Mormon at one point in their life should read this hilarious revue of Mormon Karma Sutra!9 of 16 people found the following review helpful. immature. maybe funny for virgins. written in hick languageBy Nick Humphrey1. first of all: remove the image of "sister dottie" on the back cover. i'll leave it at that.2. the hick language in which this is written is terribly annoying. e.g.: "it's fer the beginner, the mid-sized and the ultimative perffessional in all things sextual."3. i cant imagine anyone but a mormon, virgin attending byu provo liking this book.4. i read the whole book in about 8 minutes so that gives you an idea of the amount of content.5. the page opposite of "i have two little hands and a high-speed modem" (depicts a man/woman (?) masturbating while looking at porn on the internet) has the following text:"the bible tells the story of onan, who spilled his seed on the ground, for which god killed him. the lesson here is obvious -- work on your coordination."this book just perpetuates the stupid christian myth that the story of onan is about masturbation. onan is killed by god because he didnt inseminate his dead brother's (Er) wife (Tamar) as commanded to by judah (genesis 38:8-10).many people (not everyone) in the lds church already have a warped and immature view of sex, so this book, in my opinion, just makes the situation worse. if you're looking for a "cute" way to waste your money or you have an immature friend with a birthday coming up; buy this book (or email me, nick.c.humphrey at gmail dot com, and i'll sell you mine for half price, good as new). if you think this book helps you then great, but i assume most people buy it because they think it will be funny. i thought it was a waste of money and annoying (see point 2).=)

An instant LDS classic when it first came on the scene in the early '70s, The Mormon Kama Sutra was a boon to a generation of newlyweds grappling with the concept of inserting tab A into slot B. The story of this monumental work begins in the mists of time and, after a brief layover in La Verkin, Utah, it was triumphantly introduced to the world by Cami Sue Truman in 1970. While never totally out of print, Sister Dottie S. Dixon, along with artist Pat Bagley, have endeavored to update this wonderful work and marvel. You have in your hands the 40th anniversary edition, revised and edited for latter-day 21st century sensibilities.

About the AuthorSister Dottie S. Dixon is the star of both radio and stage. She is the past-president of the Spanish Fork PFLAG and the proud Mormon mother of a gay son, Donnie Dixon. Her KRCL Radio series, What Not, What Have You, and Such as That, launched her to celestial superstardom. Her award-winning one-woman show, The Passion of Sister Dottie S. Dixon, played to sold-out audiences in Salt Lake City. Undaunted by fame, Dottie still lives in her humble Spanish Fork home with her husband of 39 years, Donald Dixon. Pat Bagley has been cartooning for The Salt Lake Tribune for thirty years. His work is regularly syndicated in over 400 newspapers and has been featured in Time, Newsweek, The Wall Street Journal, The Los Angeles Times, Playboy and The Guardian of London. Among his many awards is the prestigious 2008 Herblock Prize.
