Kevin Mitchell : The Musicians Ultimate Joke Book Over 500 One-Liners, Quips, Jokes, and Tall Tales (Softcover) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Musicians Ultimate Joke Book Over 500 One-Liners, Quips, Jokes, and Tall Tales (Softcover):

Old, unfunny, a total waste of time and paperBy George GoldbergMost of the jokes are so old they need crutches, many are repeated again and again in different contexts, very few of the jokes are at all funny. Very thin.0 of 0 people found the following review helpful. Great gift.By Paula DalyThis was a gift for my daughter's music teacher. He tells corny jokes, so I think he liked it.0 of 0 people found the following review helpful. Not for kidsBy Chrystal StaplesI was hoping to find a good clean joke book for my student who enjoys comedy, but this book has suggestive humor that is not appropriate for kids. I assume it is meant for adults.

(Book). This book is the perfect resource for program notes, concert spiels, to kill time while the bass player tunes up, or just for fun! This most complete collection of humor about and for musicians includes one-liners and jokes ranging from Chopin to Lennon, Gillespie to Presley. A must-have for every band director, music teacher, classical musician, jazz performer, cover band leader, accordion player, and person who knows an accordion player but doesn't like to admit it.
