Dr. Evadne Hinge : The Naked Doctor: Evadne's Odyssey Book One before purchasing it in order to gage whether or not it would be worth my time, and all praised The Naked Doctor: Evadne's Odyssey Book One:

0 of 0 people found the following review helpful. I Loved the Book!By William F. Jannke IIII have been a fan of the comedy duo of Hinge Bracket ever since finding some of their appearances online. They were hysterical in that typically British way. So when I heard that this book was available I hurried to buy a copy. I was sort of expecting more humor and less drama, or light drama, but on the whole I was not disappointed. Dr. Hinge's memories are filled with a mixture of sadness and triumph, from her privileged upbringing to her ultimate success in regional variety theatre. It was a page-turner and I am looking forward to the next volume, where she meets Dame Hilda Bracket for

the very first time. That should be interesting....

At last Doctor Evadne Hinge emerges from the shadow of her former colleague and oldest friend, world-renowned soprano Dame Hilda Bracket, to tell her own story. And it's not the story you might imagine. Against a lovingly-drawn background of music and theatre, Doctor Hinge speaks frankly about her personal life. Her student days and her first love; her friendships with the good, the bad, the ugly, and the downright criminal; the men in her life – and there have been a few; and her troubles with her unusual family – whose hobbies, she tells us, include murder, blackmail, drug abuse, adultery and other less light-hearted pastimes. After the death of Dame Hilda in 2002, Doctor Hinge agreed to speak at some length about her life to her close friend, George Logan. She stipulated that these reminiscences, recorded on tape, should remain unpublished until after her death. However, since it appears that that event is yet some way off – the Doctor is now a robust ninety-four – she has finally agreed to their wider dissemination. This volume covers the years from her birth in 1920, to 1938. A subsequent memoir describing her experiences during World War II and her first years in partnership with Dame Hilda is in preparation.
