**Ed Mcclanahan : The Natural Man** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Natural Man:

12 of 12 people found the following review helpful. Historically Informed and UproariousBy R. W. RasbandThis is one of those memorable books that will have you constantly laughing. And what makes it so memorable is that it's a veritable encyclopedia of "off-color" popular culture of the '50's. You will find hundreds of ancient raunchy jokes

imbedded in the text as well as side-splitting accounts of the prissy mores of that time. What's striking is how innocent it all seems--what was considered offensive back then is virtually G-rated next to something like Eminem. A wonderful read. 2 of 2 people found the following review helpful. a must read By Teasley THE NATURAL MAN is one of the funniest books written. The characters are believable, vibrant and likable. It belongs on a bookshelf beside such works as John Kennedy Toole's A CONFEDERACY OF DUNCES, AMERICAN DESERT and GOD'S COUNTRY, both by Percival Everett, Robert Plunkett's MY SEARCH FOR WARREN HARDING, and anything by Mark Twain. Like the works stated above, THE NATURAL MAN is full of living language, satire and humor which have the reader laughing aloud. When I finished reading it I immediately began searching the public library and the internet for other works by Mr. McClanahan. To me, that is the mark of a true writer, one that leaves the reader thirsting for more. 1 of 1 people found the following review helpful. I've always been a fan of Terry Southern, Tom ... By Jillar I've always been a fan of Terry Southern, Tom Robbins, Tom Wolfe, etc. --- can't believe I didn't run into Ed McClanahan before now!

Fiction. "Others have observed the natural man in the American condition before, but nobody has done it with such good humor. Ed McClanahan's good humor both sharpens his eye and gentles his vision. I don't know where else, now, you would find workmanship that is at once so meticulous and so exuberant" - Wendell Berry.
