The pictures are complex yet not so tiny you can't enjoy doing them. They have a great variety of styles. I will definitely be looking for more from this artist! 0 of 0 people found the following review helpful. Wonderful By Mara I've not been a fan of mandalas, but these are wonderful. Unique designs that are neat and clean. 0 of 0 people found the following review helpful. Love this one! By Sherry A favorite! On nice paper, good clear lines and fun drawings. Only downside is pages are not perforated so can remove easily.

About the Author Cynthia Emerlye was born in Rhode Island, USA. Growing up in a creative family, she was

introduced to homey and fine crafts at a young age. Her work is detailed and elegant, convoluted and richly feminine in nature, recalling the lush illuminated manuscripts of the Renaissance and the detail of William Morris. Her floral designs are highly distinctive and have been adapted to many decorative and commercial uses. Her paintings and illustrations, utilising a soft, rainbow palette, incorporate symbols and mythic iconography into their dreamscapes.
