It is satire for the dirty minded, and man, nursery rhymes were never so good! Every time I dip into it and read any part of it, I am FORCED to laugh. A great mood lifter on a bad day or ANY day. I even take it to work with me so I can always cheer my co-workers up. EVERY Cumberbitch will love it, but whether or not

you are a fan of Benedict Cumberbatch, you will be like me - LMFAO!! I am ordering a BUNCH as gifts!0 of 0 people found the following review helpful. Cumberlicious Ladies...By Kate O.So risqu...it makes me blush, but is absolutely hilarious. Mr. Cumberbatch should be ever so proud!0 of 0 people found the following review helpful. I love it!By CustomerThis book is very jokey! I think if Mr. Cumberbatch knew about it he would be extremely flattered. There are even references to things that only a true fan of Benedict would appreciate, like his beloved purple pants and chambray shirt. I think this is something that every Ben-addict and Cumberbitch will appreciate and want to have in her collection. I love it!

This book is a choice collection of Cumber-rhymes, inspired by classic fairy tales, old nursery rhymes, and the bizarre and enchanting beauty of the man who launched a zillion Cumberbitches!
