Thomas A. Brown : The New Pun Book before purchasing it in order to gage whether or not it would be worth my time, and all praised The New Pun Book:

1 of 1 people found the following review helpful. TerribleBy GarabaldiI laughed harder at the (Guaranteed laughs) in the title of the book than at the "puns", (which use here is a misnomer). The contents of this book is dry as dust. But, then again, it might appeal to one or two people; possibly three.
