Christopher Goodwins : The New Testament in Limerick Verse before purchasing it in order to gage whether or not it would be worth my time, and all praised The New Testament in Limerick Verse:

0 of 0 people found the following review helpful. The New Testament in Limerick VerseBy LizQuite extraordinary. Never seen anything like it. Some of the limericks are a bit forced and maybe the theology a bit out of shape, but generally speaking I thought it was very clever and a lot of fun.

Jesus taught people by means of parables: short stories, with a simple message, and easily memorable. "The New Testament in Limerick Verse", works on the same principle, short, simple and memorable! In over 200 catchy and memorable limericks, Christopher Goodwins has summarised the major themes of the entire New Testament. The

appeal of this book ranges from Bishop to teenager, for use in pulpit or classroom - or just a good read at home.
