Also, I think it should say somewhere that the book's content is more for adults.0 of 0 people found the following review helpful. Five StarsBy Natural BeautyTrue stories are great! Several funny jokes included as well as creative cartoons!

"NO OTHER BOOK HAS MADE ME FIRE DIET COKE FROM MY NOSTRILS" - COMEDIAN TOM COTTER. What do hookers, Wall Street brokers, actors, tourists, rock stars, priests, drug dealers, fashion models, tourists, bartenders, old ladies, newlyweds, and divorce attorneys have in common? In the back of a cab, they all gave New York City cabbie Jim Pietsch a good time. Just because he asked them one simple question: "Heard any good jokes lately?" And they delivered...everything from crazy crack-you-up clean jokes, to fall-on-the-floor-laughing raunchy jokes. Jim didn't just listen and laugh, though. He shared the funniest of them all in his bestselling *The New York City Cab Driver's Joke Book* and its side-splitting sequel, *The New York City Cab Driver Joke Book, Volume 2*. Now, the Master Joke Magnet is back, putting together all the A-#1 Primo Material Killer Jokes from his first two books into one punchline packed volume. Jim got his first book deal when an editor for Warner Books got into his cab. After they spent the long trip trading jokes while driving from the West Side to the East side, she told him that he should write a book and gave him her card. He called her, and two weeks later he delivered a proposal to her at her office. The next day, she offered him a book deal and Jim's Joke World was officially born. Only in New York! *The New York City Cab Driver's BEST JOKE BOOK EVER* includes over 300 of Jim's favorite one-liners and story jokes. He hopes that joke tellers everywhere will use this volume as their handbook, telling the jokes to everyone they know, and spreading hysterical laughter all over the world.
