Jim Pietsch : The New York City Cab Driver's Book of Dirty Jokes before purchasing it in order to gage whether or not it would be worth my time, and all praised The New York City Cab Driver's Book of Dirty Jokes:

people filter, you want people to laugh. Great to choose between long and short punch lines. Delivery is everything. Crack a funny bone too. 1 of 3 people found the following review helpful. Laughs from the back of the cab
By James W. Trotter This is a nice little collection of "crude" jokes. A bit rough around the edges -- but does not stoop to filth for filth's sake. Some are even repeatable in mixed company. 0 of 0 people found the following review helpful. Major rehash
By Denesius Jim's original "New York City Cab Driver's Joke Book" was original funny, with a large collection of jokes interspersed with anecdotal commentaries. Volume 2 was also a fun read (I call both volumes 'bathroom readers'). This book is a major rehash of the first 2, with a large number of verbatim repeats. If you haven't read the earlier books, by all means give this volume a try; if you have, I'd recommend you pass.

The Cab is Yellow, But the Jokes are Blue Did you hear the one about the first thing a blonde does in the morning? How about the nervous lady and the French horn player? Jim Pietsch may drive a clean cab, but his customers love to tell him dirty jokes. Now the wildly popular author of *The New York City Cab Driver's Joke Book* (Volumes 1 and 2) offers over 400 of Gotham's naughtiest rib-ticklers about the hot and the bothered, the cheaters and the cheated, and all things that go bump-and-grind in the night. The targets are endless: straights and gays, hoochies and husbands, cops and coeds, gullible hicks and, of course, city slickers. So if you're ready for a wild ride, buckle up, because *The New York City Cab Driver's Book of Dirty Jokes* will have you laughing a blue streak!

About the Author More than a cab driver, Jim Pietsch is also a writer, professional cartoonist, raconteur extraordinaire and a musician with Broadway shows to his credit. As well as continuing to drive a cab he also works as a film editor.
