How patient are you?By AlaskanI got copies of this interesting-looking book for my sister and my youngest son, both of whom are infinitely more patient and clever than I! I know my son has had a ball with this book; I haven't heard much yet from my gifted sister. I look at a couple of pages and knew I could/would never have the patience/time to sit down and do any. Good luck to all puzzlers who enjoy puns and thinking about them!2 of 2 people found the following review helpful. Not challenging enough.By B. WatsonI had hoped this would be a lot more challenging, but it is not. It seems to be a compilation of maybe Wednesday or Thursday puzzles from the Times. Too easy, I'm afraid.1 of 1 people found the following review helpful. Five StarsBy William F. MagroganLotsa fun - even the unfair ones!
