The New Yorker always has the best cartoons and I love cats. What could be better than this book? I read a few pages and laugh, then pick it up and read a few more to stretch out the enjoyment. Thoroughly recommended for cat lover and lovers of great humor.

Originally bought the "New" cat cartoon book from for my 11 year old granddaughters Christmas. She so loved it, so I got this one (Used! New book price out of my range!). Since it is on its way to her for Valentines Day, i have no feedback from her yet. She ignored all of her other Christmas presents until finishing the first one. I have devoured both old and new and find both delightful. New Yorker cartoons stand above the rest.
