The New Yorker : The New Yorker Book of Dog Cartoons before purchasing it in order to gauge whether or not it would be worth my time, and all praised The New Yorker Book of Dog Cartoons:

4 of 4 people found the following review helpful. Dog and Cat cartoons from The New Yorker By David in Denver As always, The New Yorker publishes terrific collections of the cartoons from years past. This collection is just as meaningful, along with the Book of Cat Cartoons. And though both collections are extensive and hilarious, the printing quality from page to page can vary from good to not so good. The books themselves are also about the size of a CD jewel case. Pretty small for a \$10 book printed in black and white, with the exception of the covers. But if you are a long-standing reader of The New Yorker as I am (more than 40 years now), you can forgive the rather steep price and simply enjoy the content. And since I have been clipping and collecting New Yorker cartoons for decades, I am always pleased to find a more concise and orderly collection. 0 of 0 people found the following review helpful. Just not very funny. By The Artful Codger I love New Yorker cartoons, I love dogs, and I love humor. But, there was barely a decent chuckle to be found here. The book was published in 1992. However, some of the cartoons must date back to the 1940s (there is a reference to a Packard automobile). This would not be a problem, except that the cartoons are just not very clever or funny. I bought this as a gift, and was disappointed. You can flip through this book in about 10

minutes, and then you are done. As a hardcover book, it seems too nice to throw away, so now you are stuck with it until you can foist it on someone else. Do so as soon as possible, and then move on with your life, sadder, poorer, but wiser. 0 of 0 people found the following review helpful. Classic humor
By Jacqueline Richardson
For dog lovers, they will love it. For those who aren't too fond of dogs, this book may make them amused, if not love, "Man's best friend." Filled with classic New Yorker cartoon humor.

Here's the dog's life as seen through the eyes and imaginations of, among others, Charles Addams, Edward Koren, Saul Steinberg, and the dog's all-time best friend, James Thurber. 101 cartoons in all from The New Yorker over the past 65 years.

.com A small but delightful book of the finest dog cartoons from the New Yorker. A gentle and funny book that should be owned by all dog lovers. One of a larger series of topical cartoons from the New Yorker: Hardcover: The New Yorker Book of Cat Cartoons/Miniature Edition The New Yorker Book of Doctor and Psychiatrist Cartoons The New Yorker Book of Dog Cartoons The New Yorker Book of Lawyer Cartoons Paperbacks: The New Yorker Book of Cat Cartoons The New Yorker Book of Doctor and Psychiatrist Cartoons The New Yorker Book of Dog Cartoons The New Yorker Book of Lawyer Cartoons From the Inside Flap 101 cartoons. About the Author The New Yorker began publishing in 1925.
