**From Bloomberg Press :** **The New Yorker Book of Political Cartoons** before purchasing it in order to gage whether or not it would be worth my time, and all praised The New Yorker Book of Political Cartoons:

2 of 2 people found the following review helpful. For those with a wry sense of humor!By Mercy and MeI got this as a Birthday Present for a friend of mine with a wonderful Wry sense of humor. He is out of town for the summer, so I sent this to him at his Summer Cottage. He goes into work three days a week, but for the other two days, he enjoys the cottage. His friends visit him and he likes to have Coffee Table Books around for his guests. Of course he has to read the book several times himself just to make certain it is OK for the guests.....that is a bit of a joke.He revels in The New Yorker Cartoons. I am not fooled.I waited a few days after his birthday and then gave him a call. Yes, "He allowed" He had received the book and it was "Quite Goos". That, in his language, is akin to a "Platinum Edition of a CD, or a Newberry Award for a Book. It is his Highest Praise.I know him well. Even though it is on the coffee table, he will take his coffee and sit their and read it again.I am so pleased my friend truly enjoyed this gift.So, for you out there with a wry sebse of humor, I anticipate that you may find this to be a Quite Pleasing compliment to your Library.2 of 2 people found the following review helpful. Just what I orderedBy Claudia PehowicAn interesting assortment of political comics without a bias towards one party or the other. Made a great gift for my grandparents (after I read through it first).1 of 1 people found the following review helpful. Five StarsBy Scot NielsonGot exactly

what I wanted

A sophisticated smirk riot filled with jabs at the overly serious world of politics.

A delightful collection. -- Gannet News Service, 10 August 2000

About the Author  
Robert Mankoff is a "triple threat" in the cartooning world. He is cartoon editor of The New Yorker, founder and president of The Cartoon Bank, and a wonderful cartoonist. He is the editor of numerous New Yorker cartoon collections, most recently The New Yorker Book of Technology Cartoons, The New Yorker Book of Money Cartoons, and The New Yorker 75th Anniversary Cartoon Collection. He lives with his wife, children, and pets in the Hudson Valley.
