C. Rico Marstow : The Next 4 Years in the White House before purchasing it in order to gage whether or not it would be worth my time, and all praised The Next 4 Years in the White House:

Reform is not always easy. In fact, sometimes reform is tough. That's where John McCain comes in. When you open this book, you are in for a real surprise when you see all the reasons to vote for John McCain. Explore the reasons to vote for change. To vote for John McCain. (This is a novelty book that contains unexpected content. Use it to make

people laugh... or to make them really mad!)
