Stilton Jarlsberg M.D. : *The Obama Sutra: An Illustrated Guide To 57 States of Ecstasy* before purchasing it in order to gage whether or not it would be worth my time, and all praised *The Obama Sutra: An Illustrated Guide To 57 States of Ecstasy*:

3 of 3 people found the following review helpful. You Put Your Right Foot OutBy SperrierJarlsberg writes one of my favorite blogs, Hope 'n Change cartoons. Reliably witty and sometimes caustic humor. He lampoons Obama mercilessly and accurately. It would be difficult to over-lampoon Obama, and Jarlsberg hits the right note. Well recommended.2 of 2 people found the following review helpful. Tongue-in-cheek humorBy Gary A. TippieryRight-

wing political satire. Some a bit forced, some dated, but overall pretty good. Author also does topical web comics, which I quite like. One was HopeNChange (now discontinued.) 8 of 8 people found the following review helpful.
Obama Sutra By Delora Jarrett This is a good conservative satire, written by whom I consider the king of this genre. Well conceived piece of entertainment.

Nearly 2000 years ago, The Kama Sutra was written by an unusually flexible Hindu named Vatsyayana. Little could this great man have known that his detailed descriptions of lovemaking would not only become the world's best-known sex manual, but eventually give birth to the chiropractic industry. Today, Vatsyayana's work is being carried on by Barack Obama, who made history not for being the first Black President (an honor enjoyed by Bill Clinton), but for being the first President elected solely on the basis of sexual magnetism. Young, liberal, and open-minded voters didn't need a wink or a nudge to understand the bedroom connotations of "Yes We Can" or that "Hope and Change" was a thinly veiled reference to changing sexual positions. And "We are the ones we've been waiting for" might as well have been an engraved invitation to an orgy. The Obama Sutra takes the words and deeds of Barack Obama and translates them into text and appropriately half-black, half-white illustrations which will allow adventurous lovers of all political persuasions to achieve the "57 States of Ecstasy" promised by the President. Pleasurable positions include "The Audacity of Soap," "Leading from Behind," "Fast and Furious," "Don't Ask, Don't Tell," "If You Like It, You Can Keep It," "Piece Prize," "Stimulus Package," and many, many more. Whether you agree with Barack Obama's politics or not, you must admit that no one has done more to arouse passions in living memory. No one has inspired more leg thrills and moans of satisfaction from the media. And no one has left so many Americans feeling screwed in such a wide variety of ways. Included in The Obama Sutra: • Introduction by noted author and sexologist Stilton Jarlsberg, MD. • Full-page black white illustrations of the "57 States of Ecstasy." • A lengthy glossary which not only details the various news events from which the "57 States of Ecstasy" have been derived, but which also serves as a compact history of the Obama administration.

About the Author STILTON JARLSBERG, MD is a widely respected political commentator, author, cartoonist, and part time sexologist. He is the author of the bestselling and ridiculously low-priced business parody "Who Cut The Cheese?," as well as the darkly hilarious cartoon blog "Johnny Optimism" about a wheelchair-bound boy coping with life's struggles and unending medical malpractice, and the wildly popular conservative political blog "Hope n' Change Cartoons". Following publication of "The Obama Sutra" he fully expects to be audited every year for the rest of his life.
