Craig Ross : The Obscene Diaries of a Michigan Fan before purchasing it in order to gage whether or not it would be worth my time, and all praised The Obscene Diaries of a Michigan Fan:

0 of 0 people found the following review helpful. Still a great readBy weiThis is actually the second copy of this book that I've bought. My brother-in-law won't return the copy I lent him. I love the way Ross skewers sports reporters who have never bothered to seriously analyze the sports they cover. A fun read, especially for obsessed Wolverine fans.0 of 0 people found the following review helpful. This really is a great book that changed my thinking about football and

team ...By Matt Hanson This really is a great book that changed my thinking about football and team sports. It's time to read it again. Most interested Michigan fans should enjoy it as well as the serious college football/sports fan. 3 of 5 people found the following review helpful. Even If You're Not A Michigan Fan...By D. Redford You will absolutely love this book! Ross is both insightful and humorous as he writes about: Michigan football (why their offense is really neither "conservative" or "too predictable"), Michigan basketball and the player who averaged 15 fouls per game (I remember him), Big Ten basketball officiating (he says it is getting better; I'm not sure), Tommy Amaker (he should have asked him who did kill JFK), why UCLA was so good for so long (it actually has less to do with John Wooden than you've been led to believe), and who was the greatest Michigan quarterback ever (read it to find out; Tom Brady is #3). More than anything else, this book reminded me that college sports are supposed to be FUN, no matter who wins. Ross' final chapter in this book is a classic by itself. Buy this book and savor every chapter. The best sports book I've read since "Ball Four" (yes, it's THAT good).

You don't have to be a sports fan to love "The Obscene Diaries of a Michigan Fan." Craig Ross has written a comic gem about college sports and sports personalities in America. Packed with fresh and funny insights, "Obscene Diaries" is the perfect mix of serious analysis, wild imagination and sports lore. The author's obsession with all aspects of sports in our culture is contagious.

About the Author Craig Ross was born in Lorain, Ohio. He lives with his wife, Sue, in Ann Arbor, Michigan. Craig is an attorney, a sports writer for the "Ann Arbor Observer," a second rate athlete and a sports fan to an obscene degree.
