Given the fact that Wozniak did Dial-A-Joke for fun, knowing he would lose money on the propositionBy Amy KMy daughter did a research project on Apple founder Steve Wozniak. Did you know before he founded Apple with Jobs, Wozniak hosted Dial-A-Joke? People could call in an hear the joke of the day. He used this book as his source of jokes. Given the fact that Wozniak did Dial-A-Joke for fun, knowing he would lose money on the proposition, we had to pick one of these little books up.Totally politically incorrect, a throwback to the 70s, it's our library's homage to Wozniak and a bit of levity in an overly-serious world.0 of 0 people found the following review helpful.
