**Hugh Morrison : The Old Fashioned Joke Book: Gags and Funny Stories in the Classic Stand-Up Style** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Old Fashioned Joke Book: Gags and Funny Stories in the Classic Stand-Up Style:

How was the bridge party last night? It was fine until the police came and looked under the bridge! Remember when comedians actually told jokes instead of just talking about themselves and their sex lives? This collection of gags in the style of radio comedians, vaudeville and music-hall turns from the old days will have you in stitches and will make you realise the old ones are still the best. If you like this book, why not try the others in the series - 'The Old Fashioned Joke Book' 2 and 3?
