**Pat Oliphant : The Oliphant Book: A Cartoon History of Our Times** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Oliphant Book: A Cartoon History of Our Times:

0 of 0 people found the following review helpful. A Classic Collection!By Mark L. TaylorThis is the classic Oliphant anthology. There is no better political cartoonist in America than pat Oliphant and this was his first anthology. The cartoons ring as true today as when they were first published in the 1960's. The names and faces change but the corruption of the American political system remains the same albeit on hyper off-the-cliff overdrive with the rampant corruption, intentional cruelty and broadly ignorant Supposed President Trump.0 of 0 people found the following review helpful. Olliphan-tastic!By Stephen RustadPerhaps the first of Olipant's compilations, this book demonstrates all the qualities the Aussie-born cartoonist would become celebrated for: great composition, distinctive penmanship and a razor wit. He's still one of the top editorial cartoonists in the world and I would argue defines the form.0 of 1 people found the following review helpful. Five StarsBy Michael L. BurnettNo problems

No editorial cartoonist in America wields a sharper pen than Pat Oliphant. Congressional members, Senate candidates, and presidents from past and present bear the black of his ink. When We Can't See the Forest for the Bushes, boasting the latest cartoons from the last presidential election, shows the "cranky when he wants to be, fiercely independent, relentlessly independent" Oliphant at the top of his game. Whether he has the present administration or the merging air carriers in his sights, it's clear why readers in more than 300 newspapers worldwide cannot get enough of Oliphant.

About the AuthorPat Oliphant occupies a unique position among today's editorial cartoonists. Widely considered the dean of the profession, he is one of its sharpest, most daring practitioners. Oliphant divides his time between Santa Fe, N.M. and Washington, D.C. Pat Oliphant is syndicated by Universal Press Syndicate
