I had forgotten about it and started flipping through when I found it today. These jokes are so bad that I can't even laugh at how bad or corny they are. What a waste of money. I trusted the other reviewers--my mistake. My husband even told me to burn it after I read him some of the jokes!0 of 0 people found the following review helpful. This is okay, sometimes a "lol" momentBy Travis BowlbyI keep this at my desk at work. It's a fair calendar. A highlight is it keeps good track of the day of the year. Most of the jokes are a long read and kind of terrible. Then, from time to time, you get surprised with something truly hilarious! I don't think I would get it again, but I'm not in an urgent need to replace it or anything.0 of 0 people found the following review helpful. Three StarsBy Customerfunny
